Foreword	<i>page</i> xiv
Preface	xvii
Acknowledgements	xxiii
To the Student	xxiv
<b>1. About Innovation and Entrepreneurship</b>	<b>1</b>
Learning Outcomes	1
Introducing Innovation and Entrepreneurship	1
Innovation and the Innovation Process	3
The Ecosystem	17
Types and Impact of Innovation	20
Historical Perspectives on Innovation	28
The Innovators	32
Succeeding in Innovation and Entrepreneurship	38
Common Mistakes and Reasons for Failure in Entrepreneurship	41
Concept and Structure for Addressing Business Innovation and Entrepreneurship	45
Summary of Innovation and Entrepreneurship	47
Analysis Exercises	50
Design Exercises	51
<b>2. Framing the Business</b>	<b>52</b>
Focus of This Chapter	52
Learning Outcomes	52
Introducing Business Framing	53
Case Study: SportMagenta – Introducing the Running Case Study	56
What Is the Mission?	58
Case Study: SportMagenta – Mission Statement	61
Who Is the Customer?	61
Case Study: SportMagenta – Business Ecosystem	66
What Is the Offering?	67
Case Study: SportMagenta – The Underlying Idea	68

Case Study: SportMagenta – Unique Selling Point	69
Case Study: SportMagenta – Innovation Type	71
Case Study: SportMagenta – Co-Innovation and Co-Adoption Requirements	73
What Is the Problem That Is Solved?	74
Case Study: SportMagenta – Problems Solved by the Innovation	75
Case Study: SportMagenta – Value Capture Options	77
How Will Success Be Measured?	79
Case Study: SportMagenta – Key Objectives	80
Case Study: SportMagenta – Key Objectives and Aligned KPIs	82
What Are the Risks?	83
Case Study: SportMagenta – Risk Register	86
What Is the Plan to Make It Happen?	88
Case Study: SportMagenta – Plan to Make It Happen	89
Case Study: Reposit – Disrupting the Property-Letting Ecosystem	90
Summary of Business Framing	93
Analysis Exercises	95
Design Exercises	97
<b>3. Promotion and Sales</b>	<b>98</b>
Focus of This Chapter	98
Learning Outcomes	98
Introducing Promotion and Sales	99
Scoping and Analysing the Target Market Structure	101
Case Study: SportMagenta – Market Segmentation	102
Case Study: SportMagenta – Market Size Assessment	107
Scoping and Analysing the Target Market Dynamics	111
Case Study: SportMagenta – Analysing Market Dynamics	117
Promoting the Business	118
Case Study: SportMagenta – Creating Visibility	124
Managing Sales	130
Case Study: SportMagenta – Customer Engagement	136
Case Study: SportMagenta – Pilot Project Design	139
Case Study: SportMagenta – Calculation and Analysis of Customer Retention Rate (CRR) and Customer Lifetime Value (CLV)	143
Bringing Innovation to Promotion and Sales	145
Case Study: SwiftComply – Scaling Promotion across Large Communities	146

Summary of Promotion and Sales	150
Analysis Exercises	151
Design Exercises	153
<b>4. Delivery and Operations</b>	<b>154</b>
Focus of This Chapter	154
Learning Outcomes	154
Introducing Delivery and Operations	155
Managing the Supply Chain	156
Case Study: SportMagenta – Supply Requirements	162
Designing the Customer Journey	162
Case Study: SportMagenta – Customer Journey	167
Planning Development	168
Case Study: SportMagenta – Development Roadmap	172
Managing and Controlling Development and Release	173
Establishing a Channel Strategy	179
Case Study: SportMagenta – Routes to Market	186
Bringing Innovation to Delivery and Operations	187
Summary of Delivery and Operations	188
Analysis Exercises	191
Design Exercises	192
<b>5. Value Capture</b>	<b>193</b>
Focus of This Chapter	193
Learning Outcomes	193
Introducing Value Capture	194
Setting a Value Capture Strategy	195
Case Study: SportMagenta – Return on Investment	202
Defining a Customer Purchasing Option	204
Creating and Calibrating a Pricing Structure	209
Case Study: SportMagenta – Pricing Structure	218
Assessing the Value of the Business	219
Case Study: SportMagenta – Asset Valuation by a Potential Acquirer	221
Bringing Innovation to Value Capture	225
Summary of Value Capture	226
Analysis Exercises	228
Design Exercises	229
Postscript to Chapters 2, 3, 4 and 5	230

<b>6. Growth and Scalability</b>	232
Focus of This Chapter	232
Learning Outcomes	232
Introducing Growth and Scalability	233
Setting a Strategy for Growth and Scalability	237
Case Study: SportMagenta – Strategy for Growth and Scalability	242
Planning for Growth and Scalability	242
Creating a Growth Projection	250
Case Study: SportMagenta – Revenue Projections	252
Case Study: SportMagenta – Cost and Margin Projections	255
Designing a Team for Growth and Scalability	257
Case Study: SportMagenta – Team Requirements and Assessment	261
Designing Scalable Capabilities	262
Funding Growth and Scalability	265
Raising Investment	269
Creating a Business Plan	276
Summary of Growth and Scalability	280
Analysis Exercises	282
Design Exercises	284
<b>7. Intellectual Property and Protection</b>	285
Focus of This Chapter	285
Learning Outcomes	285
Introducing Intellectual Property and Protection	286
Protection of Intellectual Property	288
Case Study: SportMagenta – Trademark Considerations	294
Case Study: SportMagenta – Design Right Considerations	297
Case Study: SportMagenta – Patent Considerations	301
Case Study: SportMagenta – Copyright Considerations	302
Case Study: SportMagenta – Open-Source Considerations	306
Protection of Confidential Information	307
Case Study: SportMagenta – Confidential Information Considerations	310
Protection against Onerous Contracts	311
Protection against Damage and Intrusion	315
Protection against Legal Non-Compliance	320
Case Study: SportMagenta – Data Protection Considerations	325
Summary of Intellectual Property and Protection	325
Analysis Exercises	328
Design Exercises	330

<b>8. Leadership and Structure</b>	331
Focus of This Chapter	331
Learning Outcomes	331
Introducing Leadership and Structure	332
Company Leadership, Management and Governance	333
Financial Planning and Control	340
Case Study: SportMagenta – Balanced Score Card for Performance Monitoring	348
Company Legal Structures	352
Contractual Structures and Responsibilities	358
Shareholding Structures and Agreements	366
Case Study: SportMagenta – Accounting Valuation for Share Option Creation	369
Summary of Leadership and Structure	372
Analysis Exercises	374
Design Exercises	376
<b>9. Key Themes and Summary Points</b>	377
Introducing the Key Themes	377
Set and Agree the Objectives and Outcomes	378
Deliver Something Customers Need	379
Create Value from the Ecosystem	380
Design the Business to Perform	382
Plan for Growth and Scalability	383
Build a Culture with the Right Mix of Talent	384
Distribute Equity to Motivate and Reward Investment	385
Control Finances and Know the Runway	386
Understand and Manage the Risk Envelope	387
Think Like an Investor in All Matters	389
Appendix A: Principal Terms of Product Licensing Agreements	391
Appendix B: Principal Terms of Customer Service Agreements	397
Appendix C: Principal Terms of Customer Delivery Contracts	403
Glossary	410
Bibliography	434
Index	440
