Preface page xv

PART I INTRODUCTION TO THE FIELD **1**

1 What Is Positive Psychology and Why Do We Need It? **3**

A New Science with a Long History	3
Understanding the Scope of Positive Psychology	7
Why We Need Positive Psychology	9
The Science of Well-Being(s)	11
Culture and Positive Psychology	13
Self-Transcendence or Self-Enhancement	14
Harmony or Mastery	14
Contentment or Satisfaction	14
Valuing or Avoiding Suffering	15
Next Steps in Positive Psychology	15
Practice Positive Psychology	16
Apply PERMA to Your Own Life	16
Explore Your Positive Legacy	17
Integrate Positive Psychology into Your Life	17
Further Resources	17

2 Myths and Misunderstandings about the Science of Positive Psychology **21**

Why Does a Scientific Approach to Positive Psychology Matter?	21
How to Distinguish Positive Psychology from Nonscientific Pop Psychology	23
Are the Conclusions Based on the Scientific Method?	23
Does the Research Make It Clear That Causation Isn't the Same as Correlation?	26
Does the Research Specify Mechanisms and Are Those Mechanisms Backed by Evidence?	28
Do the Researchers Generalize Appropriately?	29
Did the Researchers Use Valid and Reliable Measures?	30
Does More than One Study Show the Result?	32
Myths and Misunderstandings about Positive Psychology	33
Only Stupid People Are Happy	33
You Can't Do Anything about Your Happiness	35
Positive Psychology Is Only about Being Happy	37
Positive Psychology Is Only for the Privileged	38
Culture and the Science of Positive Psychology	39
Next Steps in the Science of Positive Psychology	41
Practice Applying Scientific Reasoning	42
Examine How You Came to Believe a Myth	42

Check Your Beliefs	42
Consider Your Piece of the Pie	43
Further Resources	43
PART II POSITIVE FEELINGS AND STATES	45
3 Positive Emotional Experiences	47
Why Do Positive Emotions Matter?	48
Defining Positive Affective Experiences	49
The Broaden and Build Theory of Positive Emotions	51
What Are the Benefits of Positive Emotions and Other Affective Experiences?	55
Positive Affective Experiences and Mortality	55
Positive Affective Experiences and Physical Health	59
Acute Illness	62
Inflammation	62
Cardiovascular Disease	63
Positive Affective Experiences and Social Relationships	64
Positive Affective Experiences and Cognitive Functioning	67
Positive Affective Experiences and Money	68
Does Having More Money Make You Happier?	69
Does How You Spend Your Money Matter?	71
Culture and Positive Affective Experiences	73
Next Steps in Positive Affective Experiences	76
Practice Engaging in Positive Affective Experiences	78
Keep a Positive Affective Experiences Diary	78
Build a Pleasurable Sensations Toolbox and Induce Positive Emotions	79
Spend Your Money Happily	79
Evaluate Your Positivity Ratio	79
Further Resources	80
4 Transcendence: Meaning, Purpose, Spirituality, and Religion	83
Why Does Transcendence Matter?	84
Meaning and Purpose in Life	85
Basic Definitions: Meaning, Purpose, and Significance	86
Theories of Meaning in Life	86
Frankl and Logotherapy	86
Terror Management Theory	89
Sense of Coherence	90
The Four Needs for Meaning	91
Meaning across the Life-Span	92
Meaning and Well-Being	95
The Paradoxical Search for Meaning	97
Religious and Spiritual Transcendence	98

CONTENTS

ix

Basic Definitions: Religion versus Spirituality	99
R/S and Well-Being	101
Healthier Behavior	103
Coping	103
Social Support	105
Psychological States	106
Research Issues in the Psychology of Religion	106
Religion Is Neither All Good nor All Bad	107
It's Not All about Denomination	107
Explaining Religion Is Not the Same as Explaining Religion Away	108
Culture and Transcendence	109
Next Steps in Transcendence	111
Practice Transcendence	113
The Logoanchor Technique	113
Create a Movie of Your Life	113
5 Present-Moment Focus: Mindfulness, Savoring, and Flow	117
Why Does Present-Moment Focus Matter?	118
Mindfulness	120
What Are the Benefits of Mindfulness?	123
Trait Mindfulness Research	123
Trait Mindfulness and Psychological Health	124
Trait Mindfulness and Interpersonal Relationships	125
Mindfulness Practices and Intervention Research	127
Mindfulness Interventions and Physical Functioning	128
Mindfulness Interventions and Psychological Functioning	129
Your Brain on Mindfulness	130
Savoring	133
Flow	138
Culture and Present-Moment Focus	139
Next Steps in Present-Moment Focus	141
Practice Present-Moment Focus	143
Meditate on the Present Moment	143
Savor the Past, Present, and Future	144
Find Flow	144
Further Resources	145
PART III ACHIEVEMENT AND PERSONAL GOALS	147
6 Talent and Giftedness	149
Why Do Talent and Giftedness Matter?	151
Defining Talent and Giftedness	152
Identifying and Developing Talent and Giftedness	155

Biological Factors	156
Behavioral Factors	158
Longitudinal Studies Associated with Early Talent and Giftedness	162
Culture and Talent and Giftedness	164
Next Steps in Talent and Giftedness	166
Practice Talent and Achievement	168
Practice Deliberately	168
Appreciate the Achievements of Others	169
Find Mentors	169
Further Resources	170
7 Looking to the Future: Goals, Optimism, and Hope	173
Why Do Goals, Optimism, and Hope Matter?	174
Goals	174
Goals and Emotions	175
Some Goals Are Better than Others	176
The Personal Importance of Goals	176
The Difficulty of Goals	176
Approach versus Avoidance Goals	177
Specific versus Abstract Goals	177
Intrinsic versus Extrinsic Goals	178
Anticipating the Future: Expectancies	178
Optimism	179
Dispositional Optimism	179
Learned Optimism: A Different View	180
Hope	182
Comparison of Expectancy Constructs	186
Hope, Optimism, and Well-Being	186
Unrealistic Expectations	188
Culture, Optimism, and Hope	190
Next Steps in Goals and Expectancies	192
Practice Optimism and Hope	193
Change Your Explanatory Style	193
Map Out Your Pathway	193
Hopeful Daydreaming	195
Further Resources	195
PART IV PERSONAL STRENGTHS AND PSYCHOLOGICAL ASSETS	197
8 Virtues, Values, and Character Strengths	199
Why Does Character Matter?	200
Historical Perspectives on Character	201
The Challenges of Researching Character	202

CONTENTS

xi

Talents	202
Strengths and Virtues	206
Values	212
The Advantages of Good Character	215
Culture and Character	217
Next Steps in Virtues, Values, and Character Strengths	220
Practice Identifying Strengths	221
Strength Spotting	221
Positive Introduction	221
Use a Strength	222
Further Resources	222
9 Successful Aging	225
Why Does Aging Matter?	226
What Is Successful Aging?	227
Foundational Studies in Successful Aging	230
Introducing the Concept of Successful Aging: The MacArthur Study	230
Capitalizing on Longitudinal Data Collection: The Harvard Study of Adult Development	231
Drawing from Diverse Populations: The Alameda County Study	232
Predictors of Successful Aging	233
Processes of Successful Aging	236
Balancing Age-Related Losses and Gains: The SOC Model	237
Setting Developmentally Appropriate Goals: Socioemotional Selectivity Theory	238
The Proactivity Model of Successful Aging: Planning for Future Stressors	240
Age and Well-Being	241
Wisdom	242
Culture and Successful Aging	244
Blue Zones	244
The Hispanic Paradox	246
Next Steps in Successful Aging	247
Practice Expanding Your Perspective on Aging	248
Interview an Older Adult	248
Proactively Cope Using the Lessons from the Blue Zones	249
Get Inspired by Some Older Folks	250
Further Resources	250
PART V SUCCESSFUL AND SATISFYING RELATIONSHIPS	251
10 Love and Relationships	253
Why Do Love and Relationships Matter?	254
I Wanna Know What Love Is	254
Passionate and Companionate Love	255

Love Styles	255
The Love Triangle	256
Love 2.0	257
Relationships and Well-Being	260
Having People in One's Life: The Impact of One's Social Network	260
Friendships	261
Online Relationships	262
Marital Status	263
Theoretical Models of What Makes for Good Relationships	266
Attachment Theory	266
Social Exchange Theories	268
Balance Theory of Relationships	270
Culture, Love, and Marriage	272
Next Steps in Relationships	275
Practice Positive Relationships	275
Rebalance Your Relationships	275
Use Social Networks in a Healthy Way	276
Make a Connection	276
Further Resources	277
11 Perspective-Taking: Gratitude and Forgiveness	279
Why Does Perspective-Taking Matter?	280
Gratitude	281
Circumstances That Facilitate or Suppress Gratitude	288
Gratitude Interventions	291
Why Is It So Hard to Express Gratitude?	293
Forgiveness	297
What Forgiveness Is and Is Not	297
Forgiveness Interventions	299
Culture and Perspective-Taking	301
Next Steps in Studying Perspective-Taking	302
Practice Gratitude and Forgiveness	303
Write and Deliver a Gratitude Letter	303
Create a Gratitude Jar	304
Remember a Time When You Were Forgiven	305
Further Resources	305
12 Prosocial Behavior	309
Why Does Prosocial Behavior Matter?	310
Altruism and Kindness	311
Prosocial Behaviors and Well-Being	316
The Who, When, and Why of Prosocial Behaviors	318

CONTENTS

xiii

Who	318
When	319
Why	320
Kindness Interventions	321
Compassionate Goals	325
Moral Elevation	326
Culture and Prosocial Behavior	328
Next Steps in Prosocial Behavior	329
Practice Prosocial Behavior	330
Put Kindness into the World	330
Volunteer in Your Community in a Way That Fits Your Strengths	331
Catch People Being Their Best Selves	332
Further Resources	333
13 Happiness and Success at Work: Positive Psychology in the Office and Beyond	335
Why Does Happiness at Work Matter?	336
Happiness and Employment Success	337
Work, Job, Calling	341
Prosocial Behaviors in the Workplace	343
Prosocial Motives	344
Prosocial Behaviors	345
Prosocial Impact	347
What Can Employers Do to Create a Positive Work Environment?	348
Demonstrate Trust in Employees	349
Provide Opportunities That Match Strengths	350
What Can Employees Do to Create a Positive Work Experience?	351
Craft Your Job	351
Make Social Connections	353
Culture and Perspectives on Positive Psychology at Work	355
Next Steps in Positive Psychology at Work	358
