List of Figures  page viii
Preface  ix

Part I  The Philosophy of Deduction

1 The Trouble with Deduction  3
  1.1 Introduction  3
  1.2 What Is a Deductive Argument?  4
  1.3 Issues  9
  1.4 Conclusion  21

2 Back to the Roots of Deduction  22
  2.1 Introduction  22
  2.2 The Different Roots of Deduction  23
  2.3 Deduction as a Dialogical Notion  29
  2.4 Conclusion  36

3 The Prover–Skeptic Dialogues  37
  3.1 Introduction  37
  3.2 Earlier Dialogical Proposals  37
  3.3 The Prover–Skeptic Games  46
  3.4 Cooperation and Adversariality  54
  3.5 Conclusion  59

4 Deduction as a Dialogical Notion  61
  4.1 Introduction  61
  4.2 Dialogical Interpretations of Three Key Features of Deduction  61
  4.3 Philosophical Issues Pertaining to Deduction  73
  4.4 Conclusions  84

Part II  The History of Deduction

5 Deduction in Mathematics and Dialectic in Ancient Greece  87
  5.1 Introduction  87
  5.2 A Conceptual Genealogy of Deduction  88
## Table of Contents
