General Index

Note that references to those features of Spartan life which are central to the discussion of the *Lacedaimoniōn Politeia* can be found indexed under that work. Features of Spartan life which are important for the discussion but which are found primarily in sources other than the *Lacedaimoniōn Politeia* are indexed generally under Sparta. Also Xenophon's works all have their own individual entries, as do Plato's *Republic* and *Symposium*.
