1 Introduction: Visible and Invisible Atrocity Crimes 1

 Spectacular and Invisible Atrocities: Why It Matters 5

 Defining Aesthetics: Sense Perception in Individual and Social Meaning-Making 11

 Theoretical Framework: Interactional Legal Theory 14

 Chapter Overview 18

 Conclusion 22

2 The Atrocity Aesthetic: International Crimes as Horrific Spectacles 24

 International Crimes as “Atrocity” Crimes 25

 Defining Atrocity: Large-Scale Culpable Harm Causation 30

 Claudia Card: Atrocity as a Paradigm of Evil 30

 David Scheffer: Atrocity Crimes and Atrocity Law 31

 Scott Straus: Atrocities as Large-Scale, Systematic Violence against Civilians 35

 Definitional Themes: Wrongdoing, Harm, and Scale 37

Atrocities as Horrific Spectacles	40
The Atrocity Aesthetic and Shared Understandings of International Crime	54
Conclusion	59
3 Maintaining Invisibility: Aesthetic Perception and the Recognition of International Crimes	63
Interactional Legal Theory and Social Constructivist Norm Development Models	64
Individual and Social Processes of Aesthetic Perception	70
Aesthetics, Uncertainty, and the Partition of the Sensible in Social Meaning-Making	75
The Structure of International Criminal Law: Ambiguity and Selectivity	80
Normative Ambiguity: What Is an International Crime?	80
Doctrinal Ambiguity	83
Layers of Selectivity	87
Aesthetic Perception and International Criminal Law Norm Development	92
Conclusion	97
4 Unspectacular Atrocities and International Criminal Law	99
Atrocities as Complex Processes	102
Unspectacular Harms and International Criminal Law	109
The Structure and Substance of International Criminal Law	110
Genocide	111
Crimes against Humanity	114
War Crimes	121

CONTENTS

vii

Modes of Liability	122
Four Examples of Aesthetically Unfamiliar Atrocity Modalities	129
Famine and Starvation Causation	130
Corruption	136
Aid Interference	140
Socioeconomic Oppression and Rights Violations	144
Conclusion	146
5 Visible and Invisible International Crimes: Cambodia and Beyond	149
Introduction	149
Spectacular and Everyday Atrocities in Khmer Rouge-era Cambodia	152
Aesthetics and Selectivity at the ECCC	164
S-21 Prison and Shared Understandings of the “Killing Fields” of Cambodia	169
Visible and Invisible Atrocity Harms: Beyond Cambodia	184
Obscured and Downgraded Pre-Nuremberg Atrocities	185
Post-Nuremberg Obscured Unspectacular Atrocities	189
Conclusion	198
6 The Costs of Invisibility: An Incomplete List	200
Introduction	200
Aesthetic Biases and the Aims of International Criminal Law	201
Retributivism	201

Consequentialism and the Risk of Deterrence “Slippage”	205
The Expressive Role of International Criminal Law	211
Beyond International Criminal Law: The Broader Effects of Aesthetic Bias	215
Historical Memory	216
Transitional Justice and Peacebuilding	220
Human Rights	223
Conclusion	226
7 Aesthetic Bias and Legal Legitimacy: An Interactional Assessment	228
Legality and Legitimacy: An Interactional Perspective	228
Aesthetic Biases and the Legal Legitimacy of International Criminal Law	230
Generality	231
Promulgation	234
Nonretroactivity	235
Clarity	240
Stability	241
Congruence between the Law and Official Action	243
Conclusion	245
8 Conclusion: Addressing the Many Forms of Atrocity Crimes	248
<i>Bibliography</i>	255
<i>Index</i>	285
