

## Index

Names of several countries and cities have changed over time. Page numbers for a given country or city are included within a single entry, under the name used to a larger extent in the book (for instance, page numbers under 'Belgian Congo' also include those related to Congo Free State, Democratic Republic of the Congo and Zaire). Cross-references will enable readers to find the right entry.

- Abidjan, 317  
 Abumonbazi, 15  
 Accra, 125  
 African trypanosomiasis, 5–6, 172–85, 197, 203–6, 211, 216–17, 248
