

INDEX

Royal and aristocratic names: The names of kings are alphabetised by their given name, glossed with the country and date of their reign: Edward III, King (England, 1327–77). Members of the aristocracy are alphabetised by their given name (usually with a descriptive term) and are glossed with their title and lifespan: Louis of Male (Louis II, Count of Flanders, 1330–84).

Page locators in bold represent references to table or maps.
