- stakeholder involvement, 7, 8, 261, 301, 305–306, 307, 309, 310, 312, 313, 320, 325, 326, 327, 328, 340, 344, 345, 350, 351, 370, 392
- intervention development stage, 353–356
- intervention evaluation and implementation, 358
- methods, 352, 353
- overview and definition, 351
- stigma, 146, 229, 363, 417
- theories of stigma and discrimination, 253, 257
- Stokols, Daniel, 239, 402
- Strack, Fritz, 6, 164, 168, 169, 276
- subjective norm
- determinant of intentions, 20
- Sunstein, Cass R., 6, 125, 151, 153, 154, 156, 193, 194, 270, 604, 618, 620, 621, 628
- systems theory, 219, 239, 253, 254, 684
- tailoring interventions, 144, 145, 310, 344, 362, 364–365, 424
- Tajfel, Henri, 7, 226, 227, 649, 684
- Tarrant, Mark, 272, 653, 655, 656, 658
- tax
- subsidy, 619, 620, 625
- taxonomy
- behavior change technique, 3, 157, 219, 294, 296, 454, 463–467, 480, 485–486, 497, 499–501, 540, 557–560, 573–575, 600–605, 622–623, 633–637, 655–656
- implementation, 335–336, 339, 342–343
- Taylor, Shelley E., 68, 79, 81, 479–481, 484, 487, 489–490, 563
- Thaler, Richard H., 6, 125, 151, 153, 154, 156, 193, 194, 270, 604, 618, 620, 621, 628
- theoretical domains framework, 4, 311, 340–341
- theories of power, 254, 258
- theory of planned behavior, 36, 210, 212, 215, 217, 232, 352, 391, 451, 462
- behavioral beliefs, 20, 23–25, 451–454
- control beliefs, 20, 23–25
- intention, 19–20
- normative beliefs, 20, 23–25, 275
- overview and description, 18–21
- perceived behavioral control, 20–22
- salient beliefs and belief elicitation, 23–25
- subjective norm, 20–22, 24–25
- use in behavior change, 21–25
- theory of reasoned action. *See* theory of planned behavior
- think-aloud studies, 366
- TIPPME, 195–197
- availability, 195, 196
- functionality, 195
- information, 195, 196–197
- presentation, 195
- size, 195, 196
- Trafimow, David, 6, 22, 209, 226, 684
- transtheoretical model, 17–18, 40, 136, 462, 580
- action, 17, 137, 139, 141, 145
- contemplation, 17, 137
- context of change, 140, 345
- maintenance, 17, 137, 139
- markers of change, 140–141
- overview and description, 137–141
- precontemplation, 17, 137, 140
- preparation, 17, 137, 139, 140
- processes of change, 136, 140
- self-change, 140, 141, 146
- stages of change, 17, 136, 140, 141–145
- use in behavior change, 137
