

1 About me

Hi, my name is Lily. I’m 10 years old. I live with my grandparents in a village near a big national park in the jungle. I love watching the animals through the telescope on our balcony. I can see parrots in the trees and sometimes elephants. I can also hear the birds and the waterfall at night when I’m in bed. My grandma says I’m very brave because I’m never scared of the animal sounds.

On Saturday afternoons, I go to the town centre with my grandpa. Our favourite places are the shopping centre and the roller disco. Roller skating is really, really, really fun! My grandpa is great at roller skating and his favourite drink is lychee milkshake. Lychees are his favourite fruit.

I don’t have a pet, but a bat visits our balcony at night. I call him Charlie and he can hang upside down! Guess what Charlie likes to drink... Yes, that’s right, lychee milkshake, the same as grandpa!
