Three great campsites to try this summer

Sandy Bay

This campsite is on an excellent beach, and has its own surfing school with special prices for campers. You can also learn to windsurf and sail there. The sea is safe for swimming, so it's a great place for families. The large swimming pool is great in summer, and has a wide area of grass around it. Its small supermarket has long opening hours. It doesn't matter what size tent you bring, as the campsite is large and you won't be too near your neighbours!

High Wood

There are lots of activities you can do at High Wood campsite, from fishing to cycling, and they'll lend you any of the equipment you need. It's not as large as some campsites, but it's clean and modern. It has a fantastic pool with a roof window which can open and close. There's also a special area where you can watch films or dance under the stars to local bands. For food shopping, try the shop in the nearby village.

Black Lake

The wonderful thing about Black Lake campsite is waking up in the morning and seeing the beautiful mountains all around you. You don't have to bring your own tent – there are some already there you can pay to use. There's lots to do – you can swim in the lake or walk in the forest. And don't forget to bring your mountain bike with you! If you want to cook for yourself, the shop in the next village has a good variety of food.

Test 1

PART 3

QUESTIONS 14–18

For each question, choose the correct answer.

Jack Calder

Violin player Jack Calder plays in the Australian band, Ocean Blue.

Jack Calder started playing the violin when he was ten. 'My music teacher played and one day he asked if anyone wanted to learn. Some girls put up their hands and so did I. I didn't have a violin, but my uncle said I could use his. The lessons were really hard at first, but playing the violin soon became important to me.'

After leaving school, Jack moved to Melbourne. For a time, he preferred listening to music to playing it. The rock music he listened to sounded very different from violin music, so he bought an electric violin, and started putting the things he liked about rock music into the music he played on his violin.

A year later, Jack met a small group of Melbourne musicians. 'We all thought about music in the same way and started Ocean Blue together. A year later, we were playing lots of concerts, and our music was selling well. But we didn't want this to make us different people. We didn't want to stop being friends.'

Jack meets many people who think playing the violin is an unusual career, but he doesn't agree with them. 'I think it's the best thing in the world. I guess I'm lucky that way. The internet has changed music, but when I walk into a violin shop it's like entering another world – one where time has stopped. Someone has looked after these beautiful old instruments that are two or three hundred years old. I think that's amazing.'
