Homes!

1 Think about it What's in your home?

1 Chant and clap.

Is it in the bedroom or bathroom?
Is it in the living room or kitchen?
Where's the teeny, tiny mouse
... hiding in our house?

2 What can you see? Explore.

3  Listen, find and say.
Listen again and stick.

kitchen living room bathroom bedroom

4  Play the game.
Think of a room. Mime. Your friends guess the room.

2 Story time

Our wonderful home

1 Listen and follow the story.
Find the rooms in the story.

1

2

3

4

2a What kind of house do the family live in?

2b Which room is outside?

2c What unusual homes do you know about?

3 Look at the story. Play a game.

4 Who doesn't like the new home?

Why? Why does she change her mind?

5 Values

Why is it important to share things?

3 Talk about it What's in your house?

1a What's coming out of the plane?

Look and say.

1b Listen and match.

2 Choose a room in your house.

Play.

3a Listen and match the animals to the rooms.

3b Listen, sing and act out.

Song: Welcome to my animal home

Chorus:

Welcome to my animal home
 Where you are never, ever alone.
 On the door, knock, knock, knock,
 Turn the key, open the lock.

In the bedroom,
 On the little red bed,
 There's a funny brown rabbit
 Bouncing on his head.
 Boing, boing, boing.

In the kitchen,
 Sitting on the chairs,
 There are 2 big
 Hungry black bears.
 Grrrr.

In the bathroom,
 Can you hear them laugh?
 There are 3 white geese
 Splashing in the bath.
 Honk! Honk! Honk!

In the living room,
 Sinking in the sofa deep,
 There are 4 orange kittens
 Oh, so fast asleep.
 Shhhhhh.

4a Let's learn our ABC

7 1a Listen, point and say.

8 1b Listen, find and trace.

Tracing guide for the letter 'S' with numbered arrows showing stroke direction.

sun

Tracing guide for the letter 't' with numbered arrows showing stroke direction.

table

Tracing guide for the letter 'u' with numbered arrows showing stroke direction.

umbrella

2a Say and write the missing letters.

square  _ired  _mell  _ree  _ad  _riangle

9 2b Listen and check.

2c Which letter is missing?
Say, join and check. Then write.

_mbrella

4b Let's learn our numbers

1 Look and say.

Write the numbers.

2a Listen and sing.

We can count up, up, up

We can count up to 10.

1, 2, 3, 4, 5,

6, 7, 8, 9, 10.

We can count down, down, down

We can count down again.

10, 9, 8, 7, 6,

5, 4, 3, 2, 1.

We can count up to 10,

And we can count down again.

H-o-o-r-a-y!

2b Count and write.
