- Abgrund*, 76
- abnormality
 motor, 8, 348, 349, 353
 psychomotor, 109
- aboulia, 27
- abuse, 29, 62, 196, 214, 246
 sexual, 206, 214, 256, 355
- action, joint, 20, 119, 120, 325
- action-perception loops, 106
- active inference, 106, *see also* predictive coding
- affectability. *See* affection
- affection, 19–20, 31, 84, 90, 270, 291–292, 292, 299–301, 302, 303, 356, *see also* affectivity; emotions
 alteration, affective, 299
 instability, affective, 190, 192, 194, 206, 212, 231, 232–233, 330
 register, affective, 125
 self-familiarity, affective, 314, *see also* self-familiarity
 stability, affective, 323
- affectivity, 172, 207, 218, 265, 276, 292, 295, 298–307, 313–315, *see also* affection
 inter-affectivity, 18, 22, 31, 381
- affordances, 8, 131, 289, 299, 302, 303, 325, 329, *see also* salience
- agency, 22, 157, 170, 207, 257, 258–260, 289, 301, 302, 303, 326, 333, 368, 372, 375
 sense of, 215, 219, 224, 299, 306
- alexithymia, 213, 265, 266
- ambiguity
 between self and other, 328, 332, 342
 of the body, 17, 329
- Améry, Jean, 28
- anger, 21, 125, 177, 195, 206, 208, 214–217
- anorexia
 and control, 245, 248, 265–266, 284, *see also* self-control
 paradoxes of, 266–268
 self-starvation, 257, 259–260, 283
- anticipation, 15, 17, 24, 135, 290, 303, 355, 357, 374
- anxiety, anticipatory, 150, 160, 163, 166
 passive, 356
 style of, 189–190
- antipsychiatry, 86
- anxiety, 160, 161, 179, 216, 264, 265, 284, 352–353, 381, *see also* fear
 social, 151, 158–160, 162–166, 170–172
- arousal, 14, 188, 223, 225, 379
- attachment, early, 186, 189
- attention, joint, 138, 156, 333
- Attig, Thomas, 132
- attractor, 107–108, 109, 113, 118,
 see also dynamical systems theory;
 synchronization
- attunement, 24, 71, 73, 354, 382,
 see also resonance
 affective, 20, 22, 23, 27, 301, 378, 381
 intersubjective, 172
- Auster, Paul, 136
- autism, 22–23, 31–32, 120, 329, 333
- autonomy, 19, 204, 276
- autopoiesis, 1, 269
- awakening, 301–303
- awareness, 4, 13, 16, 17, 21, 71, 109, 112, 153, 166, 191, 235, 260, 290, 314, 391,
 see also self-awareness
- Bachelard, Gaston, 137
- Bataille, Georges, 64–65, 80
- Beauvoir, Simone de, 136, 241
- Behar, Rosa, 266, 267
- behavior
 impulsive. *See* impulsivity
 motor, 109, 118
 respiratory, 111, 117
- being-at-home. *See* home, sense of
- being-in-the-world, 32, 102, 129, 264
- belief system, 247, 250, 252
- bereavement, 125–127, 128–130, 132, 139–140, 144–145, 146–148, 186
