Names: Greer, David M., 1966– editor. | Dangayach, Neha S., 1983– editor.  
Title: Neuroprognostication in critical care / edited by David M. Greer, Neha S. Dangayach.  
Description: Cambridge, United Kingdom ; New York : Cambridge University Press, 2024. |  
Includes bibliographical references and index.  
Identifiers: LCCN 2024006507 | ISBN 9781108708272 (paperback) | ISBN 9781108762489  
(ebook)  
Subjects: MESH: Critical Illness – therapy | Neurologic Examination | Decision Making,  
Shared  
Classification: LCC RC350.N49 | NLM WL 141 | DDC 616.8/0428–dc23/eng/20240214  
LC record available at <https://lcn.loc.gov/2024006507>

ISBN 978-1-108-70827-2 Paperback  
ISBN 978-1-108-76248-9 Cambridge Core

.....  
  
Every effort has been made in preparing this book to provide accurate and up-to-date  
information that is in accord with accepted standards and practice at the time of publication.  
Although case histories are drawn from actual cases, every effort has been made to disguise  
the identities of the individuals involved. Nevertheless, the authors, editors, and publishers  
can make no warranties that the information contained herein is totally free from error, not  
least because clinical standards are constantly changing through research and regulation. The  
authors, editors, and publishers therefore disclaim all liability for direct or consequential  
damages resulting from the use of material contained in this book. Readers are strongly  
advised to pay careful attention to information provided by the manufacturer of any drugs or  
equipment that they plan to use.

---

With gratitude to all of my residents, fellows and students over the many years, who have taught me far more than I could ever teach them; and to my wife, Stephanie, who has supported me through everything, everywhere.  
*David M. Greer*

With the deepest love and respect for my parents, Subhash and Usha Dangayach who inspire me everyday with their positive thinking, an insatiable hunger for lifelong learning and a firm belief that nothing is impossible.  
*Neha S. Dangayach*
