Cambridge University Press has no responsibility for the persistence or
accuracy of URLs for external or third-party internet websites referred
to in this publication and does not guarantee that any content on such
websites is, or will remain, accurate or appropriate.

Every effort has been made in preparing this book to provide accurate
and up-to-date information that is in accord with accepted standards
and practice at the time of publication. Although case histories are
drawn from actual cases, every effort has been made to disguise the
identities of the individuals involved. Nevertheless, the authors, editors,
and publishers can make no warranties that the information contained
herein is totally free from error, not least because clinical standards are
constantly changing through research and regulation. The authors,
editors, and publishers therefore disclaim all liability for direct or
consequential damages resulting from the use of material contained in
this book. Readers are strongly advised to pay careful attention to
information provided by the manufacturer of any drugs or equipment
that they plan to use.

Contents

List of Contributors vi

1	Introduction to and History of Polycystic Ovary Syndrome 1	11	Ovulation Induction in Polycystic Ovary Syndrome 102
	Gabor T. Kovacs		Evert J. P. van Santbrink
2	Polycystic Ovary Syndrome: From Phenotype to Genotype 8	12	Ovarian Surgery for Ovulation Induction 110
	Joop S. E. Laven and Yvonne V. Louwers		Gabor T. Kovacs
3	The Epidemiology of Polycystic Ovary Syndrome 21	13	In Vitro Fertilization and Assisted Reproductive Technologies in Polycystic Ovary Syndrome 121
	Larisa Suturina		Susie Jacob and Adam Balen
4	Ovarian Ultrasonography in Polycystic Ovary Syndrome 29	14	Pregnancy Complications and Children Outcomes in Patients with Polycystic Ovary Syndrome 131
	Heidi Vanden Brink and Marla E. Lujan		Femi Janse and Bart C. J. M. Fauser
5	The Classification of Polycystic Ovary Syndrome Informed by the International Guideline 2018 45	15	The Role of In Vitro Maturation in Polycystic Ovary Syndrome 142
	Robert J. Norman, Rhonda Garad and Helena Teede		Roger J. Hart and Melanie Walls
6	The Relevance of the Anti-Müllerian Hormone in Polycystic Ovary Syndrome Diagnosis and Management 52	16	The Treatment of Obesity in Polycystic Ovary Syndrome 150
	Martina Capuzzo and Antonio La Marca		Harry Frydenberg
