A Webpage

1 Tell your partner two things you know about the circus and two things you want to know about the topic.

2 Read the webpage. What is it about?
   1 a visit to the circus
   2 life in a circus family
   3 a circus school

MEET THE Flying CORTES FAMILY

Ysabella Wallenda-Cortes isn’t from a typical family. She’s from a circus family. Ysabella is a trapeze artist like her parents. Her parents’ names are Robinson and Alida. She has two brothers, Lukas and Tomas, but she doesn’t have any sisters.

Ysabella’s uncle and aunt are in the circus, too. Her uncle Alex is her dad’s brother and he’s an acrobat and a trapeze artist. Her aunt Aurelia is her mom’s sister and she’s one of Ysabella’s teachers. Her grandparents, Olinka and Tino, are also part of the circus. Olinka isn’t a performer anymore. Her job is to help the rest of the family. Tino is in his 60s, but he’s still a tightrope walker. Lukas and Tomas don’t have jobs in the circus … yet!

Where is home? They have two homes – one in the U.S.A. and a mobile home. The mobile home is also a school during tours. Imagine a school on wheels!

3 Find words in the webpage to match the photos.

4 Read the webpage again. Complete the sentences with the correct family words.

Ysabella’s …
   1 parents are trapeze artists.
   2 _________ is an acrobat and a trapeze artist.
   3 _________ is a circus teacher.
   4 _________ aren’t circus performers yet.

5 Correct the sentences.

   1 Ysabella is a tightrope walker.
      Ysabella isn’t a tightrope walker.
      She’s a trapeze artist.
   2 Robinson and Alida are brother and sister.
   3 Lukas and Tomas are cousins.
   4 Alida and Aurelia are friends.

6 Discuss the questions.

   1 What do you think is a typical family?
   2 Is family life in the circus like your family life? Why / Why not?
   3 What are the good and bad things about life in the circus?

UNIT 1 | WHAT IS YOUR FAMILY LIKE? 17
Aim collector - the world

READING

An Article

1 Look at the photo below. Where are the children? What is special about them? Read the article to check your answers.

2 Find words in the article that mean:
   1. two children born at the same time
   2. three children born at the same time
   3. four children born at the same time
   4. very young children

3 Read the article again. Circle the correct words.
   1. The Festival of Twins is one week/day long.
   2. Pleucadeuc isn’t a big/small town.
   3. The festival is for twins, triplets, and quadruplets from France/all over the world.
   4. Oscar and Oliver have some/don’t have any photos as babies at the Festival of Twins.

Twins Day

France is the third-biggest country in Europe and it has a lot of different festivals. They have a film festival in Cannes, music festivals in Paris and in Lyon, and there’s a festival of lights.

But perhaps one of the most unusual festivals of all is “Deux et Plus” or “Festival of Twins” on August 15 in the small town of Pleucadeuc in the northwest of France. More than 1,000 twins, triplets, and quadruplets from all over the world meet in one place. Some look the same and some look different. Some even speak their own language! Imagine that!

The festival has its own traditions. Each twin, triplet, or quadruplet is usually in the same clothes with the same hairstyle. There are also a lot of interesting activities to do, like face painting, watching live music, dancing, and playing fun games.

Oscar and Oliver have photos from their first visit to the Festival of Twins as babies. Now they are 13. “It’s a great day! We have a lot of new friends this year.” Their new friends have the same thing in common – they all have twin brothers or sisters!
LEARN TO LEARN

Increasing Your Vocabulary
When you learn an adjective, it’s a good idea to learn the opposite adjective. Learning word pairs increases your vocabulary.

5 Write the opposite adjectives for words 1–4. Then find and underline them in the article.

1 big  ____________ small
2 last  ____________
3 normal ____________
4 old  ____________

6 Close your books. Say an adjective from Exercise 5. Can your partner remember the opposite adjective?

Explore It!

Guess the correct answer. Identical twins have the same DNA, but they don’t have the same …

a eye color.   b fingerprints.   c hair color.

Find two more interesting facts about twins. Choose your favorite fact and write a question for your partner to answer.

CULTURE PROJECT

A Poster

Oscar and Oliver go to the Festival of Twins in France. Choose another festival from around the world. In groups, design and present a poster about it.
