Foreword xxvii
Nicholas Jouriles
Preface xxix

Prologue 1
Sharon E. Mace and Michael
A. Granovsky

Section 1 Administration

1 **Key Concepts of Observation Medicine:
How to Start (and Maintain) an Observation
Unit – What You Need to Know: Clinical
Issues** 5
Sharon E. Mace

2 **Key Concepts of Observation Medicine:
Administrative Issues** 14
Sharon E. Mace and Michael
A. Granovsky

3 **Development of Observation Medicine
Over Time** 31
Louis G. Graff

4 **Principles of Observation Medicine** 36
Louis G. Graff

5 **Design: Features Common to Successful
Observation Units** 39
David J. Robinson

6 **Staffing Considerations** 42
David A. Meguerdichian and
Christopher W. Baugh

7 **Nursing** 48
Sharon E. Mace

8 **Risk Management** 56
Howard Blumstein and Bret A. Nicks

9 **Metrics and Performance Improvement:
Patient Quality, Safety, and Experience** 59
Sharon E. Mace and Elaine Thallner

Section 2 Clinical Setting
and Education

10 **The Community Hospital Perspective
in a Suburban/Rural Setting** 69
Ryan Prudoff and Stephen
F. Sayles III

11 **Observation Medicine and the Urban
Community Hospital** 71
Robert S. Bennett

12 **The Tertiary Care Hospital and Academic
Setting** 73
Anwar Osborne

13 **Rural Observation Medicine** 76
J. Lane Schnell

14 **Observation Medicine and the Critical
Access Hospital** 79
Jeffrey E. Goode and Justin Rodgers

15 **Observation Medicine and the
Hospitalist** 86
David G. Paje

16 **Advanced Practice Providers** 88
Stephanie M. Figueroa and Dean T. Harrison

17 **Observation Medicine Training
and Education – Residents** 91
Pawan Suri

Contents

18 **Observation Medicine Training and Education – Medical Students/ Fellows** 93
Bradley D. Lepore and Margarita E. Pena

Section 3 New Developments

19 **Simple, Complex, and Extended Observation Services** 97
Pawan Suri

20 **Complex and Extended Observation** 99
Ramupriya Vaithi and Bret A. Nicks

21 **Hospital Readmissions** 102
Sharon E. Mace and Elaine Thallner

22 **Level of Care Determination: Medical Necessity Risk Stratification** 113
Louis G. Graff

23 **Acute Medicine in the United Kingdom** 117
Louella Vaughan

24 **Point-of-Care Ultrasound** 119
Courtney M. Smalley and Matthew Kostura

25 **Telehealth Use in Observation Medicine** 130
George B. Hughes

Section 4 Clinical

Subsection 4A Clinical – Cardiac

26 **Chest Pain** 135
Stephen Boone and W. Frank Peacock

27 **Acute Heart Failure** 141
Edgar Ordonez and W. Frank Peacock

28 **Atrial Fibrillation** 149
Catherine T. Puetz

29 **Syncope** 155
T. Andrew Windsor, Zachary Rogers, and Amal Mattu

30 **Cardiac Stress Testing** 162
Akilesh Honasoge, Kami M. Hu, and Amal Mattu

Subsection 4B Clinical – Respiratory

31 **Asthma** 171
Eric Anderson

32 **Acute Exacerbation of Chronic Obstructive Pulmonary Disease and Bronchitis** 176
Eric Anderson

33 **Community Acquired Pneumonia** 181
Eric Anderson

34 **Primary Spontaneous Pneumothorax** 185
Chai Chew Yian

Subsection 4C Clinical – Vascular

35 **Venous Thromboembolism** 191
Carol L. Clark and Hamzeh W. Omar

36 **Acute Pulmonary Embolism** 202
David G. Paje

37 **Anticoagulants** 210
David G. Paje

Subsection 4D Clinical – Neurologic

38 **Transient Ischemic Attack** 219
Jill A. Mohr and Jonathan Glauser

39 **Headaches** 228
Sharon E. Mace and Lucy Franjic

40 **Seizures** 234
Sharon E. Mace and Lucy Franjic

41 **Dizziness and Vertigo** 240
Saurin Bhatt

42 **Central Nervous System Shunts** 252
David A. Meguerdichian

Subsection 4E Clinical – Metabolic, Endocrine

43 **Hyperglycemia** 257
Pawan Suri and Taruna K. Aurora

44 **Hypoglycemia** 263
Pawan Suri and Taruna K. Aurora

45 **Electrolyte Abnormalities** 268
Grace Lambert and Jonathan Glauser

Subsection 4F Clinical – Hematologic

- 46 **Sickle Cell Disease** 277
Matthew Lyon, Ann Marie Kuchinski,
and Robert W. Gibson
- 47 **Blood Product Transfusions** 283
Ryan Yavorsky and Jonathan Glauser

Subsection 4G Clinical – Oncologic

- 48 **Oncology** 289
Adam Klotz

Subsection 4H Clinical – Infections

- 49 **Skin and Soft Tissue Infections** 297
Robert S. Bennett

Subsection 4I Clinical – Gastrointestinal

- 50 **Abdominal Pain** 303
Louis G. Graff
- 51 **Upper Gastrointestinal Bleeding** 307
Abhinav Chandra
- 52 **Lower Gastrointestinal Bleeding** 313
Christopher Bazzoli
- 53 **Dehydration, Gastroenteritis,
and Vomiting** 317
Maria Aini

Subsection 4J Clinical – Genitourinary

- 54 **Urolithiasis** 321
Claire Pearson, Laura Smylie, and
Robert D. Welch
- 55 **Pyelonephritis and Urinary Tract
Infections** 327
Elizebeth Dubey, Philip A. Lewalski,
and Robert D. Welch

Subsection 4K Clinical – Obstetrics
and Gynecology

- 56 **Pelvic Inflammatory Disease** 333
Sharon E. Mace and Veronica Sikka

- 57 **Vaginal Bleeding** 337
Veronica Sikka, Chona
D. Macalindong, Renee Reid, and
Sharon E. Mace
- 58 **Hyperemesis Gravidarum** 339
Sharon E. Mace, Veronica Sikka,
Edward P. Cutolo, and Raaj Popli

Subsection 4L Clinical – Surgical
Evaluation

- 59 **Abdominal Pain** 343
Daniel Drewry and Margarita E. Pena

Subsection 4M Clinical – Trauma

- 60 **Trauma** 355
Isra Al Jamed and Matthew A.
Wheatley

Subsection 4N Clinical – Pain
Management

- 61 **Pain Management** 363
Benjamin Beuchler, Nathaniel
L. Scott, and James R. Miner

Subsection 4O Clinical – Toxicology

- 62 **Toxicology** 369
Jennifer L. Hannum and Mary
A. Wittler

Subsection 4P Clinical – Pediatrics

- 63 **Pediatric Observation Medicine** 377
Sharon E. Mace
- 64 **Pediatric Observation Medicine at
a Children’s Hospital** 390
Chari Larsen and Aderonke Ojo

Subsection 4Q Clinical – Geriatrics

- 65 **The Geriatric Observation Unit** 397
Abbey M. Smiley and Lauren
T. Southerland

Contents

66 **Creating a Geriatric Care Unit for the Complex Older Patient** 407
Saket A. Saxena and Stephen W. Meldon

Subsection 4R Clinical – Skilled Nursing Placement from the Observation Unit

67 **Skilled Nursing Facility Placement** 415
Anthony R. Rosania and Akiva A. Dym

Subsection 4S Clinical – Hospice

68 **Transition to Hospice** 422
Lauren T. Southerland

Subsection 4T Clinical – Psychiatric

69 **Medical Clearance of Psychiatric Patients** 427
Gregory Adams and Jonathan Glauser

70 **Psychiatric Observation: Impactful Treatment and Cost-Effective Care in Lieu of Boarding** 435
John S. Rozel, Tony Thrasher, Scott Zeller, and Leslie Zun

Subsection 4U Clinical – Substance Abuse

71 **Opioid Use Disorder** 443
Brittney Gordon, Emma Sizemore, and Anwar Osborne

72 **Alcohol Use Disorder** 451
Daniel K. Colby and Elizabeth J. Johnson

73 **Smoking Disorders** 458
Nicklaus P. Ashburn and Jason P. Stopyra

Subsection 4V Clinical – Social

74 **Social Observation Medicine** 463
Anthony R. Rosania and Akiva A. Dym

Section 5 Disasters Including Pandemics

Subsection 5A Disasters Including Pandemics – Clinical

75 **Observation Centers During a Disaster** 471
Constance J. Doyle

Subsection 5B Disasters Including Pandemics – COVID-19

76 **Transforming Emergency Department Observation Units to Meet the Demands of the COVID-19 Pandemic** 481
Mallika Singh and Christopher Caspers

77 **Operational Flexibility of Observation Units During a Pandemic** 487
Maria Aini

78 **Using Observation Medicine for Pandemic Management** 490
David J. Robinson

79 **COVID-19 Patient Surge Emergency Management** 494
Robert H. Leviton

80 **Operational Changes in Response to COVID-19 Pandemic in Barbados** 508
Reginald King and Joanne M. Bradford-King

Section 6 Financial

Subsection 6A Financial – Coding and Reimbursement

81 **Observation Unit Physician Documentation and Coding** 513
Michael A. Granovsky and David A. McKenzie

82 **Observation Unit Hospital Coding and Reimbursement** 520
Sarah Todt and Michael A. Granovsky

Subsection 6B Financial – Case Management

- 83 **Correct Status** 527
Mary McLaughlin Davis
- 84 **Observational Status: Care Coordination Through Each Transition of Care** 529
Nancy E. Skinner

Subsection 6C Financial – Case Management: What Is the Correct Status?

- 85 **Was Observation a Good Choice?** 537
Tibian Abramovitz
- 86 **From Observation to Inpatient** 540
Tibian Abramovitz
- 87 **Observation versus Inpatient: “To Be or Not to Be?”** 543
Tibian Abramovitz
- 88 **Observation: Tales from the Trenches, Common Mistakes and How to Avoid Them** 546
Sharon E. Mace and Tibian Abramovitz

Subsection 6D Financial – Medical Necessity, Denials, and Appeals

- 89 **Medical Necessity** 555
Robert H. Leviton
- 90 **Denials and Appeals** 563
Robert H. Leviton

Subsection 6E Financial – The Business of Observation Medicine

- 91 **Ensuring Financial Viability: The Business Case for Observation Units** 567
David A. Meguerdichian and Christopher W. Baugh
- 92 **What Your Administration C-Suite Expects from Your Observation Unit** 575
Brian Hiestand

Section 7 Observation Medicine Regulations and Guidelines

- 93 **Observation Care Regulations** 587
Cheryl Grossman and Michael A. Granovsky
- 94 **Observation Care Guidelines** 599
Robert H. Leviton
- 95 **Observation Care Documentation** 604
Robert H. Leviton

Section 8 Observation Medicine Administration

- 96 **Utilization Management** 611
Matthew A. Wheatley
- 97 **Administrative Aspects of Observation** 615
Robert H. Leviton
- 98 **Role of the Physician Advisor** 621
Robert H. Leviton
- 99 **Leadership in Observation Medicine: Optimizing Your Team** 623
Bret A. Nicks and Julia V. Prokesova

Section 9 International

Subsection 9A International – Africa

- 100 **South Africa** 629
Lee A. Wallis and Lauren Lai King

Subsection 9B International – Asia

- 101 **Singapore** 633
Chai Chew Yian and Malcolm Mahadevan

Subsection 9C International – Europe

- 102 **United Kingdom** 637
Louella Vaughan and Dylan Jenkins

Contents

Subsection 9D International – Middle East

- 103 **Saudi Arabia** 641
Immad Shahnawaz Qureshi and
Yasser Masood Qureshi
- 104 **Türkiye** 645
Ayça Koca

Subsection 9E International – Australia/New Zealand

- 105 **New Zealand** 649
Peter Jones

Section 10 Administrative Policies

- Author’s and Editors’ Comments: Policies, Protocols, and Order Sets** 653
- 106 **Administrative Policies** 657
Sharon E. Mace

Section 11 Protocols

Subsection 11A Clinical Protocols

- 107 **Clinical Protocols** 691
Sharon E. Mace

Subsection 11B Specialized Protocols

- 108 **Protocols for Evaluation of a New Mass** 727
Jeffrey E. Goode
- 109 **Protocol for Low-Risk Pulmonary Embolism** 738
David G. Paje
- 110 **Protocol for Mild Traumatic Brain Injury** 739
Jason P. Stopyra
- 111 **Primary Spontaneous Pneumothorax** 740
Chai Chew Yian
- 112 **Protocol for Rattlesnake Bites** 747
Sean Bush

- 113 **Protocol for North American Crotalid (Pit Viper) Snake Bites** 751
Mary A. Wittler and Lisa Evans

- 114 **Protocol for Dengue** 755
Chai Chew Yian

Section 12 Order Sets

Subsection 12A Order Sets – Adult

- 115 **Adult Order Sets by Diagnosis/Clinical Condition** 759
Matthew J. Campbell and Sharon E. Mace
- 116 **Adult Order Sets: Electrolytes** 818
Matthew J. Campbell and Sharon E. Mace
- 117 **Adult Order Sets: Trauma** 820
Matthew J. Campbell and Sharon E. Mace
- 118 **Adult Order Sets: Intravenous Fluids, Laboratory, Radiology, and Special Studies** 836
Matthew J. Campbell and Sharon E. Mace
- 119 **Adult Order Sets: Medications** 839
Matthew J. Campbell and Sharon E. Mace
- 120 **Adult Order Sets: General Order Sets** 856
Matthew J. Campbell and Sharon E. Mace

Subsection 12B Order Sets – Pediatric

- 121 **Pediatric Order Sets: Medications** 861
Matthew J. Campbell and Sharon E. Mace
- 122 **Pediatric Order Sets: General Order Sets** 871
Matthew J. Campbell and Sharon E. Mace
