

Thanks and Acknowledgements

The authors would like to thank all those who have made contributions to the development, creation and production of *Thinking Space*.

Many thanks to teachers in various countries for piloting the course and for their valuable feedback. Thanks too to their students, for their enthusiasm and for putting up with manuscripts rather than the attractive pages our designers have created in the meantime.

The members of our digital team and the video team for their expertise and creative thought.

We would like to thank most warmly our editorial team (Mark Benn, Sarah Baetens, Adela Rynkowska, Ruth Bell-Pellegrini, Matthew Bifano, Geraldine Pugh, Lys Mayor and Sarah Brierley) for all the energy and care they have put into the project. Our special thanks go to Jo Burgess and Natasha Buccianti (Publishers), James Dingle (Business Unit Director) for their dedication to *Think*, the great spirit of collaboration and many excellent suggestions we got from them.

We are indebted to Frances Lowndes (Global Publishing Director) for being involved so actively in the planning stages of the project despite her huge workload.

Last, but not least we would like to thank our partners Mares, Adriana and Claudia. Without their support this project would not have happened.
